

MedAct Software Referral Program Terms and Conditions

The MedAct Software Referral Program makes it easy for you to share your knowledge about MedAct Software with your friends and colleagues and get rewarded at the same time! For every friend or colleague that you refer and who becomes a MedAct Software customer, your MedAct Software account is eligible for rewards.

1. MedAct Software Referrers must have an active MedAct Software maintenance schedule in order to apply the discount award to their account.
2. MedAct Software Referrers must use the online referral form for submission to receive the discount award in order to be eligible.
3. Referral awards cannot be assigned to any current MedAct Software customers that purchased prior to the launch of the program as of February 1, 2010.
4. MedAct Software discount awards are not transferable or redeemable for cash.
5. MedAct Software reserves the right to terminate the account(s) of any referring customer and / or referred customer.
